- Record of Entry is required for everyone entering for potential contact tracing.
 - Entry of Mackay Club players for play sessions will be recorded electronically based on Compscore records.
 - At all other times, Mackay Club Members must sign in and out on the register sheets.

 - Those attending beginners' lessons must sign in and out at all times and provide precise contact details until all contact details are recorded by the Club.
- Our club is currently playing under the restrictions associated with playing an indoor sport. That allows play around a conventional card table but requires social distancing when not playing.

 - Bring and use your own pencil/ball point pen when bidding.
 - Only one person (generally South) will handle and sanitise the Bridgmate.
 - One person (generally North) will handle and sanitise the card holders.
 - When leaving the table, the person leaving must sanitise the table area in front of them and, if appropriate, the arms of their chair.
- Do not enter the kitchen – entry is restricted at all times unless you are specifically requested to serve the coffee, tea, hot water, milk and sugar during the tea/coffee break, that must be announced by the director.
- Our club will not provide cups and spoons. Please bring your own cup and spoon if you want a cup of tea or coffee to be served to you and be prepared to take them home unwashed.
- You may bring your own lunch but must not share it with others. If the Club is providing food, it will be served to you in alignment with our club's Covid-safe procedures.

Social distancing and hygiene requirement must be complied with at all times.
